To whom it may concern:

I am writing this letter of recommendation because I wanted everyone to know how pleased my wife and I are with the quality of work Richard Dank of Champion Adjustment Company provided to us regarding an insurance claim we recently had with the Allstate Insurance Company.

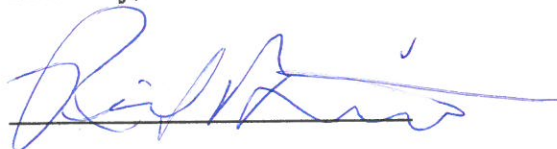

I had asked one of my neighbors if he thought I would need an insurance adjuster? The problem was I noticed a small water drip on the side of my water heater. What I originally thought was a slight leak turned out to be deceptive; it was a constant leak that caused a serious amount of damage to my wooden floors, moldings, and walls. My neighbor recommended Mr. Richard Dank from Champion Adjustment Company, and also suggested I notify my insurance Company ASAP that I'll be Retaining an Insurance Adjustment Company, which I immediately did.

It was apparent from the beginning that that Mr. Dank was and is an expert when it comes to insurance claim activity and he is also is an excellent and skilled communicator. We learned so much from him, both my wife and I haven't stopped talking about how happy we were to have retained Mr. Dank of Champion Adjustment Company.

Also, since cost of service was important to us then as it is now, I feel it's important to mention here, Champion's fee for their excellent service was what I consider to be quite reasonable.

Needless to say, I highly recommend Richard Dank and Champion Adjustment Company located at 420 Jericho Turnpike, Jericho, New York 11753 - T. (516) 935 - 2800.

Sincerely,

Richard Bernstein
