Dear Champion Adjustment Co., LLC,

Thank you for the incredible services you offered us, after our ice damming claim from the horrendous winter of 2015. We never knew how much work and time was involved in dealing with the insurance company. Your skillful efforts and hard work produced a settlement with my insurance company which I could not have achieved on my own.

We would highly recommend you and your company, Champion Adjustment Co., LLC to anyone that had a large insurance claim, and serious damage to their property. Your professionalism, reliability, and attention to our needs was truly commendable during this very difficult process.

Please feel free to provide my name and phone number to anyone needing a reference as to your outstanding services.

With sincere appreciation,
